

Art Solutions Art Furniture

Tower of Art

A mobile unit that provides multiple storage options on both the front and backsides. This unit features full dowel construction, a double-sided cherry thermofused melamine and 3mm black edge banding.

For ordering information please refer to the SAX Arts & Crafts Catalog.

Art Portfolio

Two units, designed to work together, offer a convenient way to store art supplies and portfolios in one designated space. Both units feature full dowel cabinet construction, a double-sided covering of cherry laminate, 3mm black edge banding on the face and finished back panels, giving you the option of positioning perpendicular to the wall to create separation of work areas.

For ordering information please refer to the SAX Arts & Crafts Catalog.
