Dimensions:

Widths: 24", 30", 36", or 48"

Depth: 14"

Height: 30", 36", 48", 60", 72"

Unit is constructed using ¾" thick particle board with High Pressure Laminate on both sides. Front and top edges are finished using 3mm PVC. Adjustable shelves have pockets routed in the bottom to prevent the shelves from sliding out. Units are design to be anchored to a wall or placed back to back, therefore back edges are left raw. Widths over 36" come with a center divider. A center divider is optional in widths 30"- 35". Countertops can be purchased separately if needed.

Assembly:

Each unit is factory assembled using dowel construction.
